

Parent and Student Rights Regarding Independent Study

Students have the following rights regarding procedures for enrolling, disenrolling, and re-enrolling in independent study.

- Parents or guardians have the right to request a pupil-parent-educator conference meeting before enrollment in the independent study program.
- Enrollment in independent study can be requested by any parent or guardian. Transition to the independent study program should take place no later than 5 instructional days from request.
- For students who participate in independent study for fifteen (15) or more days in a school year, the following plan shall be utilized to transition pupils whose families wish to return to in-person instruction from independent study expeditiously, and, in no case, later than five instructional days.
- Should a parent or guardian want to return to the independent study program after re-enrollment in in-person instruction, they may make that request in writing by emailing info@aurumprep.org and the student will be transitioned to independent study expeditiously, and, in no case, later than five instructional days.
- Students will have access to 1392 instructional minutes (combination of synchronous and asynchronous) during a regular school week independent study.
- Students who speak a single primary language other than English, as determined from the census data submitted to the department pursuant to Section 52164 in the preceding year, will have access to instruction and materials in their primary language.
